

Coronavirus (COVID-19)

Decatur Golf Course will be open during regular business hours with elevated restrictions to help limit the spread of coronavirus (COVID-19).

We will close for normal weather related issues as necessary.

Decatur Golf Course operations in response to COVID-19 effective immediately.

Decatur Golf Course has implemented the following procedures and we ask you to partner with us in this effort by following the Center for Disease Control and Prevention recommendations to frequently wash your hands, cover your mouth when coughing and sneezing, avoid close contact, avoid touching your eyes, nose and mouth, and implement social distancing recommendations. We encourage anyone who is feeling ill to please stay home.

The golf course will remain open for daily play during the regular business hours, however, tournaments and or scrambles may be cancelled at any time. We will make every effort to keep any of our scheduled events and their status updated on our Facebook page. Please join us on Facebook at Decatur Golf Club.

*All counters will be wiped down regularly throughout the day with disinfectant.

*All golf carts will be cleaned with disinfectant after each use and rotated to the back of the line.

*Players will not be paired with a stranger.

*Water jugs will not be provided throughout the course.

Please bring your own drinks and concessions until further notice.

*Golf members are not required to sign in to begin play unless renting a cart. Staff will record your information for you in the book.

*We are asking members to please bring their own bottle of hand sanitizer and use frequently for precautionary measures.

*Flagsticks should not be removed during play at this time.

*Gathering in the clubhouse will be prohibited. You may come in to sign in and use the restrooms and wash your hands. We ask that you stay outdoors as much as possible.

For your safety and ours please review the CDC guidelines for prevention.
